Docket No. C2004-2

ERRATA TO INTERROGATORIES OF DIGISTAMP TO THE UNITED
STATES POSTAL SERVICE WITNESS THOMAS J. FOTI
(DigiStamp/USPS-RT1-1 - 4)
(August 3, 2006)

DigiStamp is filing errata to 4 interrogatories that were submitted to Postal Service witness Foti on July 21, 2006. DigiStamp incorrectly identified witness Foti's testimony as DS/USPS-T1, instead of DigiStamp/USPS-RT-1. The numbering of the 4 interrogatories has been corrected accordingly. Also, DigiStamp made a typographical error on Page 4 line 16 that has been corrected by changing the word "that" to "than".

Respectfully submitted,
